Extension of Deadline for Submission of comments on the Consultation on Mobile Termination Rates

On 11th August the OUR published a consultation paper entitled “Mobile Termination Rates” (OUR 06/14). The purpose of the paper was to consult interested parties on whether regulatory intervention in the setting of Mobile Termination Rates (“MTRS”) was required in the Bailiwick and, if so, which method should be used to establish a set of reasonably efficient mobile voice call termination charges. Interested parties were asked to respond to the issues raised in this consultation paper by 22nd September 2006.

Following a request for an extension to the consultation period, the OUR has decided to extend the deadline to 5pm on Friday 6th October 2006.
